

At Community Life Church, we have identified our mission as:

## “Fully Engaged Followers of Jesus”

**Welcome - we are “kid friendly” here at Community Life Church.** We have a comprehensive Sunday morning worship, just for kids. At the start of church, the kids go upstairs for worship and lessons geared to their level. Meanwhile, the tots (ages 2-4) have their own program upstairs too.

**If you would like a coffee,** we have some in the Cafe, and feel free to bring a cup in with you for morning worship.

**Wells & Fences** - In North America, farmers usually build fences around their properties to keep their animals in. In parts of Australia, where land tracts are large, a farmer has no fence but digs a well in the middle of his land, and the animals never stray too far from the precious water, and other animals come there to drink too. Some churches are “fence” churches, with barriers sorting out “who’s in and who’s out”. We want to be a “well” church where anyone who is thirsty is welcome, and we don’t worry much about “who’s in and who’s out”.

We would like to be known as “**The Grace Place**”

“The church has one main function: to teach people to love.” – Rene Padilla

## Our Newsletter for April 21, 2019

### “He is Risen!” notes from Pastor Karl:

He is Risen! How many times do these words frame Resurrection Sunday! They really don’t get old... not for me, at least. The fact that He lives means that I live as well... in a different way. Death is not the period at the end of the sentence... it is a colon, opening a new existence. Death holds no sting... It is not the last word. Jesus stared at death square in the face and defeated it soundly. Because he did, we too will know a resurrection. Thanks for coming and joining us today.

### Eucatastrophe

“I coined the word “eucatastrophe”: ***the sudden happy turn in a story which pierces you with a joy that brings tears...*** And I was there led to the view that it produces its peculiar effect because it is ***a sudden glimpse of Truth...*** the chain of death, feels a sudden relief as if a major limb out of joint had suddenly snapped back... And I concluded by saying that ***the Resurrection was the greatest ‘eucatastrophe’ possible...***” - J. R. Tolkien

**Resurrection Sunday...** a once a year reminder that Christ loves each and every one of us. He is the Architect of relationship between God, man and mankind. Easter... continues to be lived out in the lives of those who stumble along behind Him. Easter! Let’s Celebrate!!

The **Annual General Meeting** of CLC was held on Thursday, April 4. *“I would just say that the Annual Meeting was an exciting reaffirmation of the intent of Community Life Church to be a grace dispensing presence in our island community.”* Reports were received with gratitude and appreciation. We voted to upgrade the sound system which has served us well for 25-30 years. Annual Reports are available for any who are interested.” - Pastor Karl
